(A) For the benefit of its inhabitants and property owners, and in order to maintain a continual state of preparedness to address fire incidents, the City Council finds, determines and declares that it is necessary for the continued preservation of the health, welfare, convenience and safety of its inhabitants and in the best interests of the property owners within the jurisdiction of the Issuer to acquire and/or construct the Project. Issuance of the Series 2018 Note to finance the Project satisfies a paramount public purpose.

(B) Debt service on the Notes will be payable from a pledge of the Pledged Revenues as provided herein. The Pledged Revenues will be sufficient to pay the principal and interest on the Series 2018 Note herein authorized, as the same become due, and to make all deposits required by this Resolution.

(C) The Issuer shall never be required to exercise any ad valorem taxing power or use any ad valorem tax revenues to pay such Series 2018 Note, nor shall any Owner be entitled to payment of such Series 2018 Note from any funds of the Issuer

except from the Pledged Revenues as described herein. The Series 2018 Note shall not constitute a lien upon any properties owned or located within the boundaries of the Issuer or upon any property other than the Pledged Revenues.

**SECTION 4. AUTHORIZATION OF PROJECT AND SERIES 2018 NOTE;  
THIS RESOLUTION TO CONSTITUTE CONTRACT.**

(A) The Issuer does hereby authorize the Project. Subject and pursuant to the provisions of this Resolution, an Obligation of the Issuer to be known as City of Panama City Beach, Florida, Fire Service Assessment Revenue Note, Series 2018 (the "Series 2018 Note") is hereby authorized to be issued under and secured by the Pledged Revenues pursuant to this Resolution, in the principal amount of not to exceed \$604,319 for the Project. Notwithstanding anything herein to the contrary, the series designation applicable to the Series 2018 Note may be changed to conform to the calendar year of issue.

(B) In consideration of the acceptance of any Notes authorized to be issued hereunder by those who shall hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and the Owner. The covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Owner of any and all of the Notes, all of which shall be of equal rank and without preference, priority or distinction of any of the Notes over any other thereof, except as expressly provided therein and herein.

**SECTION 5. DESCRIPTION OF NOTES; EXECUTION OF NOTES.** The

Notes shall be dated the date of their respective execution and delivery, which shall be a date agreed upon by the Issuer and the Original Purchaser. The Notes constitute Obligations of the Issuer and may, if and when authorized by the Issuer pursuant to this Resolution and any Supplemental Resolution, be issued in one or more Series, with such further appropriate particular designations added to or incorporated in such title for the Notes of any particular series as the Issuer may determine. The Notes shall bear interest at such rate or rates not exceeding the maximum rate permitted by law as provided in the Supplemental Resolution; and shall be payable and/or prepayable in lawful money of the United States of America on such dates all as determined herein or by Supplemental Resolution. The Notes may bear interest at fixed or variable rates and may be issued as current interest notes, capital appreciation notes, lease purchase obligations subject to annual appropriation or other legal structures as approved by Supplemental Resolution. The Notes shall be in the form set forth by Supplemental Resolution.

**SECTION 6. REGISTRATION AND EXCHANGE OF PERSONS**

**TREATED AS OWNER.** The Person in whose name the Notes shall be registered shall be deemed and regarded as the absolute Owner and payment of principal and interest on such Note shall be made only to or upon the written order of the Owner. All such

payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

**SECTION 7. PAYMENT OF PRINCIPAL AND INTEREST; LIMITED OBLIGATION.** The Issuer promises that it will promptly pay the principal of and interest on the Notes at the place, on the dates and in the manner provided herein and by Supplemental Resolution according to the true intent and meaning hereof and thereof. The Notes shall not be or constitute a general obligation or indebtedness of the Issuer as a “bond” within the meaning of Article VII, Section 12 of the Constitution of Florida, but shall be payable solely from the Pledged Revenues in accordance with the terms hereof. No holder of any Note issued hereunder shall ever have the right to compel the exercise of any ad valorem taxing power or the use of ad valorem tax revenues to pay such Notes, or be entitled to payment of such Notes from any funds of the Issuer except from the Pledged Revenues as described herein.

**SECTION 8. DEBT SERVICE FUND.**

(A) The Issuer hereby covenants that it will establish with a depository in the State of Florida, which is eligible under the laws of the State of Florida to receive municipal funds, a fund to be known as the “City of Panama City Beach, Florida, Fire Service Assessment Revenue Note, Series 2018 Debt Service Fund” (the “Debt Service Fund”).

(B) Upon receipt, the Issuer shall deposit all proceeds of the Fire Service Assessments, after payment of any collection costs and administration costs associated therewith (whether collected by use of the Tax Collector, Property Appraiser, or otherwise), into the Debt Service Fund until such time as moneys sufficient to pay the Annual Debt Service Requirement for the then current Fiscal Year are on deposit therein.

(C) Upon deposit of an amount equal to the Annual Debt Service Requirement in any Fiscal Year, no further deposits shall be made into the Debt Service Fund and the remaining Fire Service Assessments shall be transferred to the general fund or other appropriate fund of the Issuer and shall be used for any lawful purpose and shall no longer be considered Pledged Revenues hereunder.

(D) Moneys on deposit in the Debt Service Fund shall be used solely to pay the principal of and interest on the Notes as it becomes due.

**SECTION 9. PLEDGE AND COLLECTION OF PLEDGED REVENUES.**

(A) The principal of and interest on the Notes will be secured solely by a lien upon and pledge of the Pledged Revenues.

(B) Equally and ratably, the Issuer does hereby irrevocably pledge and grant a lien on the Pledged Revenues, prior and superior to all other liens and encumbrances on such Pledged Revenues, to the payment of principal of and interest on the Notes in accordance with the provisions hereof. The Pledged Revenues shall immediately be

subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer, irrespective of whether such parties have notice thereof.

(C) The Issuer covenants to do all things necessary on its part to collect the Fire Service Assessments, and will take all steps, actions and proceedings for the enforcement and collection of such Fire Service Assessments as shall become delinquent to the full extent permitted or authorized by law; and will maintain accurate records with respect thereof. All such Fire Service Assessments, as collected, be held in trust to be applied as herein provided. The Issuer will not amend or modify the resolutions pursuant to which the Fire Service Assessments are assessed so as to impair or adversely affect the power and obligation of the Issuer to assess such Pledged Revenues.

(D) The Issuer shall annually and timely adopt an assessment resolution as required and necessary for imposing Fire Service Assessments for each Fiscal Year in an amount sufficient to satisfy the Annual Debt Service Requirement until the Notes have been paid in full.

**SECTION 10. APPLICATION OF PROCEEDS OF SERIES 2018 NOTE;  
PROJECT FUND.**

(A) At the time of delivery of the Series 2018 Note, proceeds from the sale of the Series 2018 Note shall be used to reimburse and/or pay the Project Costs and associated costs of issuance (including, but not limited to, legal and financial advisory fees and expenses) in accordance with the provisions in this Section.

(B) The Issuer hereby covenants that it will establish with a depository in the State of Florida, which is eligible under the laws of the State of Florida to receive municipal funds, one fund to be known as the "City of Panama City Beach, Florida, Fire Service Assessment Revenue Note, Series 2018, Project Fund" (the "Project Fund").

(C) Proceeds from the sale of the Series 2018 Note herein authorized shall be deposited into the Project Fund and shall be used as described herein. When the acquisition and/or construction of the Project has been completed and all Project Costs and costs of issuance have been paid in full, all funds remaining in the Project Fund shall be used to prepay the outstanding balance of the Series 2018 Note corresponding to the Project and the Project Fund shall be closed. All moneys deposited in said Project Fund shall be and constitute a trust fund created for the purposes herein stated, and there is hereby created a lien upon such fund in favor of the holders of the Series 2018 Note until the moneys thereof shall have been applied in accordance with this Resolution.

(D) Moneys on deposit from time to time in the Project Fund shall be used to pay or reimburse the following Project Costs:

(1) Costs incurred directly or indirectly for or in connection with a Project or a proposed or future Project or acquisition including, but not limited to, those for preliminary planning and studies, architectural, construction management services, legal, financial, engineering and supervisory services, labor, services, materials, equipment, accounts receivable, acquisitions, land, rights-of-way, improvements and installation;

(2) Premiums attributable to all insurance required to be taken out and maintained during the period of construction with respect to a Project to be acquired or constructed, the premium on each surety bond, if any, required with respect to work on such facilities, and taxes, assessments and other charges hereof that may become payable during the period of construction with respect to such a Project;

(3) Costs incurred directly or indirectly in seeking to enforce any remedy against a contractor or subcontractor in respect of any default under a contract relating to a Project or costs incurred directly or indirectly in defending any claim by a contractor or subcontractor with respect to a Project;

(4) Financial, legal, accounting, appraisals, title evidence and printing and engraving fees, charges and expenses, and all other such fees, charges and

expenses incurred in connection with the authorization, sale, issuance and delivery of such Notes;

(5) Capitalized interest funded from Note proceeds, if any, for a reasonable period of time;

(6) Any other incidental and necessary costs including without limitation any expenses, fees and charges relating to the acquisition, construction or installation of a Project, and the making of extraordinary repairs, renewals and replacements, decommissioning or retirement of any portion of the Project, including the cost of temporary employees of the Issuer retained to carry out duties in connection with the acquisition, construction or erection of a Project and costs related to transition of such Project into ownership by the Issuer;

(7) Costs incurred directly or indirectly in placing any Project in operation in order that completion of such Project may occur;

(8) Any other costs relating to the Project authorized pursuant to a Supplemental Resolution of the Issuer and permitted under the laws of the State; and

(9) Reimbursements to the Issuer for any of the above items hereinbefore paid by or on behalf of the Issuer.

(E) Notwithstanding anything else in this Resolution to the contrary, in the Event of Default, the trustee acting for the holders of Notes shall, to the extent there are

no other available funds held hereunder, use the remaining funds the Project Fund to pay principal and interest on the Notes.

**SECTION 11. SPECIAL FUNDS.**

(A) The funds created and established by this Resolution shall constitute trust funds for the purpose provided herein for such funds. All of such funds shall be continuously secured in the same manner as municipal deposits of funds are required to be secured by the laws of the State of Florida. Moneys on deposit to the credit of all funds created hereunder may be invested pursuant to applicable law and the Issuer's investment policy and, shall mature not later than the dates on which such moneys shall be needed to make payments in the manner herein provided. The securities so purchased as an investment of funds shall be deemed at all times to be a part of the fund from which the said investment was withdrawn, and the interest accruing thereon, and any profit realized therefrom shall be credited to such fund, and any loss resulting from such investment shall likewise be charged to said fund.

(B) The moneys required to be accounted for in each of the foregoing funds and accounts established herein may be deposited in a single bank account, and funds allocated to the various funds and accounts established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds and accounts as herein provided.

(C) The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

**SECTION 12. TAX COVENANT.** The Issuer covenants to the Owner of the Notes provided for in this Resolution that the Issuer will not make any use of the proceeds of the Notes at any time during the term of the Notes which, if such use had been reasonably expected on the date the Note was issued, would have caused such Note to be an “arbitrage bond” within the meaning of the Code. The Issuer will comply with the requirements of the Code and any valid and applicable rules and regulations promulgated thereunder necessary to ensure the exclusion of interest on the Note from the gross income of the holders thereof for purposes of federal income taxation.

**SECTION 13. ADDITIONAL NOTES.**

(A) The Issuer will not issue any Obligations payable from the Fire Service Assessments or voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien of any Note issued pursuant to this Resolution upon the Pledged Revenues except under the terms and conditions and in the manner provided herein. Any

Obligations issued by the Issuer other than in accordance with this Section and payable from the Fire Service Assessments shall contain an express statement that such Obligations are junior and subordinate in all respects to the Notes issued hereunder as to lien on, and source of and security for payment from, the Pledged Revenues.

(B) No Additional Notes may be issued hereunder unless the Mayor shall sign and issue a certificate that shall state and certify that the Fire Service Assessments for the most recently audited Fiscal Year of the Issuer preceding the issuance of Additional Notes equaled at least one (1) times the maximum Annual Debt Service Requirement for Notes then outstanding and on the Additional Notes proposed to be issued.

(C) Each Resolution or enabling instrument authorizing the issuance of such Additional Notes will recite that all of the covenants herein contained will be fully applicable to such Additional Notes as if originally issued hereunder.

**SECTION 14. LIMITATION OF RIGHTS.** With the exception of any rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Resolution or the Notes is intended or shall be construed to give to any Person other than the Issuer and the Owner any legal or equitable right, remedy or claim under or with respect to this Resolution or any covenants, conditions and provisions herein contained; this Resolution and all of the covenants, conditions and provisions hereof

being intended to be and being for the sole and exclusive benefit of the Issuer and the Owner.

**SECTION 15. AMENDMENT; IMPAIRMENT OF CONTRACT.** This Resolution shall not be modified or amended in any respect subsequent to the issuance of the Notes except with the written consent of the Owner of the Note. The Issuer covenants with the Owner of the Note that it will not, without the written consent of the Owner of the Note adopt any resolution which repeals, impairs or amends in any manner adverse to the Owner the rights granted to the Owner of the Note hereunder.

**SECTION 16. EVENTS OF DEFAULT; REMEDIES OF OWNER.**

(A) The following shall constitute "Events of Default": (i) if the Issuer fails to pay any payment of principal of or interest on any Note as the same becomes due and payable; (ii) if the Issuer defaults in the performance or observance of any covenant or agreement contained in this Resolution or the Note (other than set forth in (i) above) and fails to cure the same within thirty (30) days after written notice to the Issuer by the Owner; or (iii) filing of a petition by or against the Issuer relating to bankruptcy, reorganization, arrangement or readjustment of debt of the Issuer or for any other relief relating to the Issuer under the United States Bankruptcy Code, as amended, or any other insolvency act or law now or hereafter existing, or the involuntary appointment of a receiver or trustee for the Issuer, and the continuance of any such event for 90 days undismitted or undischarged.

(B) Any Owner of the Note may either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under the Laws of the State of Florida, or granted and contained in this Resolution, and may enforce and compel the performance of all duties required by this Resolution or by any applicable State or Federal statutes to be performed by the Issuer or by any officer thereof. Nothing herein, however, shall be construed to grant to any Owner of the Note any lien on any real property of the Issuer.

**SECTION 17. SEVERABILITY.** If any provision of this Resolution shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable in any context, the same shall not affect any other provision herein or render any other provision (or such provision in any other context) invalid, inoperative or unenforceable to any extent whatever.

**SECTION 18. APPLICABLE PROVISIONS OF LAW.** This Resolution shall be governed by and construed in accordance with the laws of the State.

**SECTION 19. MEMBERS OF THE CITY COUNCIL OF THE ISSUER EXEMPT FROM PERSONAL LIABILITY.** No recourse under or upon any obligation, covenant or agreement of this Resolution or the Notes or for any claim based thereon or otherwise in respect thereof, shall be had against any member of the City Council of the Issuer, as such, past, present or future, either directly or through the

Issuer it being expressly understood (1) that no personal liability whatsoever shall attach to, or is or shall be incurred by, the members of the City Council of the Issuer, as such, under or by reason of the obligations, covenants or agreements contained in this Resolution or implied therefrom, and (2) that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such member of the City Council of the Issuer, as such, are waived and released as a condition of, and as a consideration for, the execution of this Resolution and the issuance of the Notes, on the part of the Issuer.

**SECTION 20. AUTHORIZATIONS.** The Mayor and any member of the City Council, the City Manager, the City Attorney, the Clerk and such other officials, employees and agents of the Issuer as may be designated by the Issuer are each designated as agents of the Issuer in connection with the issuance and delivery of the Series 2018 Note and are authorized and empowered, collectively or individually, to take all action and steps and to execute all instruments, documents, and contracts on behalf of the Issuer that are necessary or desirable in connection with the execution and delivery of the Series 2018 Note, and which are specifically authorized or are not inconsistent with the terms and provisions of this Resolution.

**SECTION 21. SALE OF NOTES.** The Notes may be issued and sold at public or private sale at one time or in installments from time to time and at such price or prices as shall be consistent with the provisions of the requirements of this

Resolution, as further approved by a Supplemental Resolution and other applicable provisions of law.

**SECTION 22. VALIDATION.** The City Attorney and any special counsel authorized by the Council are hereby directed and authorized to institute appropriate proceedings for the validation pursuant to Chapter 75, Florida Statutes, of the Series 2018 Note and any and all matters connected therewith or other proceedings necessary for the Issuer to determine its authority to issue the Series 2018 Note, construct and/or acquire the Project, including the validity and use of the Pledged Revenues in all respects, and the proper officers of the Issuer are hereby authorized to verify on behalf of the Issuer any pleadings in such proceedings.

**SECTION 23. DECLARATION OF INTENT.** The Issuer hereby expresses its intention to be reimbursed from proceeds of a future tax-exempt financing for expenditures to be paid by the Issuer in connection with the Project. Pending reimbursement, the Issuer has used or may use funds on deposit in its general fund to pay Project Costs. It is reasonably expected that the total amount of debt to be incurred by the Issuer with respect to the Project will not exceed \$604,319. This Resolution is intended to constitute a “declaration of official intent” within the meaning of Section 1.150-2 of the Code with respect to the Project.

**SECTION 24. REPEALER.** All resolutions or parts thereof in conflict herewith are hereby repealed.

**SECTION 25. EFFECTIVE DATE.** This Resolution shall be in force and take effect immediately upon its passage and adoption by the City Council.

Chief,

Attached to this email is an options list (POL) for one (1) Pierce Saber FR pumper. Also attached is a rough computer generated drawing, as well as a lease purchase estimate created on the Lease Estimator.

The LIST cost of one (1) pumper is \$535,845.00. Using the Florida Sheriff's Association (FSA) consortium and purchasing more than one (1) apparatus will result in additional discounts.

If the City decides to go the lease purchase path; just multiply the annual lease payments by the term and add the end of term payment on the attached Lease Estimator to obtain the estimated total revenue outlay for such an obligation; or,  $(\$86,331.09 \times 7 \text{ years}) + 1.00 = \$604,318.63$ .

If there is anything else that I can do, please feel free to contact me. Thank-you for your interest; I'm always here for you.
