163.380 Disposal of property in community redevelopment area.—The disposal of property in a community redevelopment area which is acquired by eminent domain is subject to the limitations set forth in s. [73.013](#).

(1) Any county, municipality, or community redevelopment agency may sell, lease, dispose of, or otherwise transfer real property or any interest therein acquired by it for community redevelopment in a community redevelopment area to any private person, or may retain such property for public use, and may enter into contracts with respect thereto for residential, recreational, commercial, industrial, educational, or other uses, in accordance with the community redevelopment plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it deems necessary or desirable to assist in preventing the development or spread of future slums or blighted areas or to otherwise carry out the purposes of this part. However, such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the community redevelopment plan by the governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the community redevelopment plan and may be obligated to comply with such other requirements as the county, municipality, or community redevelopment agency may determine to be in the public interest, including the obligation to begin any improvements on such real property required by the community redevelopment plan within a reasonable time.

(2) Such real property or interest shall be sold, leased, otherwise transferred, or retained at a value determined to be in the public interest for uses in accordance with the community redevelopment plan and in accordance with such reasonable disposal procedures as any county, municipality, or community redevelopment agency may prescribe. In determining the value of real property as being in the public interest for uses in accordance with the community redevelopment plan, the county, municipality, or community redevelopment agency shall take into account and give consideration to the long-term benefits to be achieved by the county, municipality, or community redevelopment agency resulting from incurring short-term losses or costs in the disposal of such real property; the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the county, municipality, or community redevelopment agency retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. In the event the value of such real property being disposed of is for less than the fair value, such disposition shall require the approval of the governing body, which approval may only be given following a duly noticed public hearing. The county, municipality, or community redevelopment agency may provide in any instrument of conveyance to a private purchaser or lessee that such purchaser or lessee is without power to sell, lease, or otherwise transfer the real property without the prior written consent of the county, municipality, or community redevelopment agency until the purchaser or lessee has completed the construction of any or all improvements which he or she has obligated himself or herself to construct thereon. Real property acquired by the county, municipality, or community redevelopment agency which, in accordance with the provisions of the community redevelopment plan, is to be transferred shall be transferred as rapidly as feasible in the public interest, consistent with the carrying out of the provisions of the community redevelopment plan. Any contract for such transfer and the community redevelopment plan, or such part or parts of such contract or plan as the county,

municipality, or community redevelopment agency may determine, may be recorded in the land records of the clerk of the circuit court in such manner as to afford actual or constructive notice thereof.

(3)(a) Prior to disposition of any real property or interest therein in a community redevelopment area, any county, municipality, or community redevelopment agency shall give public notice of such disposition by publication in a newspaper having a general circulation in the community, at least 30 days prior to the execution of any contract to sell, lease, or otherwise transfer real property and, prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite proposals from, and make all pertinent information available to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate a community redevelopment area or any part thereof. Such notice shall identify the area or portion thereof and shall state that proposals must be made by those interested within 30 days after the date of publication of the notice and that such further information as is available may be obtained at such office as is designated in the notice. The county, municipality, or community redevelopment agency shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out; and the county, municipality, or community redevelopment agency may negotiate with any persons for proposals for the purchase, lease, or other transfer of any real property acquired by it in the community redevelopment area. The county, municipality, or community redevelopment agency may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this part. Except in the case of a governing body acting as the agency, as provided in s. [163.357](#), a notification of intention to accept such proposal must be filed with the governing body not less than 30 days prior to any such acceptance. Thereafter, the county, municipality, or community redevelopment agency may execute such contract in accordance with the provisions of subsection (1) and deliver deeds, leases, and other instruments and take all steps necessary to effectuate such contract.

(b) Any county, municipality, or community redevelopment agency that, pursuant to the provisions of this section, has disposed of a real property project with a land area in excess of 20 acres may acquire an expanded area that is immediately adjacent to the original project and less than 35 percent of the land area of the original project, by purchase as provided in this chapter, and negotiate a disposition of such expanded area directly with the person who acquired the original project without complying with the disposition procedures established in paragraph (a), provided the county, municipality, or community redevelopment agency adopts a resolution making the following findings:

1. It is in the public interest to expand such real property project to an immediately adjacent area.
2. The expanded area is less than 35 percent of the land area of the original project.
3. The expanded area is entirely within the boundary of the community redevelopment area.

(4) Any county, municipality, or community redevelopment agency may temporarily operate and maintain real property acquired by it in a community redevelopment area for or in connection with a community redevelopment plan pending the disposition of the property as authorized in this part, without regard to the provisions of subsection (1), for such uses and purposes as may be deemed desirable, even though not in conformity with the community redevelopment plan.

(5) If any conflict exists between the provisions of this section and s. [159.61](#), the provisions of this section govern and supersede those of s. [159.61](#).

(6) Notwithstanding any provision of this section, if a community redevelopment area is established by the governing body for the redevelopment of property located on a closed military base within the governing body's boundaries, the procedures for disposition of real property within that community redevelopment area shall be prescribed by the governing body, and compliance with the other provisions of this section shall not be required prior to the disposal of real property.

183 amount of taxes for the current year cannot be ascertained, rates for the previous year will be used with due
184 allowance being made for improvements and exemptions. Any tax proration based on an estimate will, at request
185 of either party, be readjusted upon receipt of current year's tax bill; this provision will survive closing.

186 (e) **Special Assessment Liens:** Certified, confirmed, and ratified special assessment liens as of the Closing Date

188 pay all installments due and payable on or before the Closing Date, with any installment for any period extending
189 beyond the Closing Date prorated, and Buyer will assume all installments that become due and payable after the

201 requirement.

202 **10. ESCROW AGENT:** Seller and Buyer authorize Escrow Agent or Closing Agent (collectively "Agent") to receive,
203 deposit, and hold funds and other property in escrow and, subject to collection, disburse them in accordance with the
204 terms of this Contract. The parties agree that Agent will not be liable to any person for misdelivery of escrowed items to
205 Seller or Buyer, unless the misdelivery is due to Agent's willful breach of this Contract or gross negligence. If Agent
206 has doubt as to Agent's duties or obligations under this Contract, Agent may, at Agent's option, (a) hold the escrowed
207 items until the parties mutually agree to its disbursement or until a court of competent jurisdiction or arbitrator
208 determines the rights of the parties or (b) deposit the escrowed items with the clerk of the court having jurisdiction over
209 the matter and file an action in interpleader. Upon notifying the parties of such action, Agent will be released from all
210 liability except for the duty to account for items previously delivered out of escrow. If Agent is a licensed real estate
211 broker, Agent will comply with Chapter 475, Florida Statutes. In any suit in which Agent interpleads the escrowed items
212 or is made a party because of acting as Agent hereunder, Agent will recover reasonable attorney's fees and costs
213 incurred, with these amounts to be paid from and out of the escrowed items and charged and awarded as court costs
214 in favor of the prevailing party.

215 **11. CURE PERIOD:** Prior to any claim for default being made, a party will have an opportunity to cure any alleged
216 default. If a party fails to comply with any provision of this Contract, the other party will deliver written notice to the non-
217 complying party specifying the non-compliance. The non-complying party will have _____ days (5 days if left blank) after
218 delivery of such notice to cure the non-compliance. Notice and cure shall not apply to failure to close.

219 **12. FORCE MAJEURE:** Buyer or Seller shall not be required to perform any obligation under this Contract or be liable
220 to each other for damages so long as performance or non-performance of the obligation, or the availability of services,
221 insurance, or required approvals essential to Closing, is disrupted, delayed, caused or prevented by Force Majeure.
222 "Force Majeure" means: hurricanes, floods, extreme weather, earthquakes, fire, or other acts of God, unusual
223 transportation delays, or wars, insurrections, or acts of terrorism, which, by exercise of reasonable diligent effort, the
224 non-performing party is unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will
225 be extended a reasonable time up to 7 days after the Force Majeure no longer prevents performance under this
226 Contract, provided, however, if such Force Majeure continues to prevent performance under this Contract more than
227 30 days beyond Closing Date, then either party may terminate this Contract by delivering written notice to the other
228 and the Deposit shall be refunded to Buyer, thereby releasing Buyer and Seller from all further obligations under this Contract.

229 **13. RETURN OF DEPOSIT:** Unless otherwise specified in the Contract, in the event any condition of this Contract is

231 will be returned in accordance with applicable Florida Laws and regulations.

232 **14. DEFAULT:**

233 (a) In the event the sale is not closed due to any default or failure on the part of Seller other than failure to make
234 the title marketable after diligent effort, Buyer may elect to receive return of Buyer's deposit without thereby
235 waiving any action for damages resulting from Seller's breach and may seek to recover such damages or seek
236 specific performance. If Buyer elects a deposit refund, Seller may be liable to Broker for the full amount of the
237 brokerage fee.

238 (b) In the event the sale is not closed due to any default or failure on the part of Buyer, Seller may either (1)
239 retain all deposit(s) paid or agreed to be paid by Buyer as agreed upon liquidated damages, consideration for the
240 execution of this Contract, and in full settlement of any claims, upon which this Contract will terminate or (2) seek
241 specific performance. If Buyer fails to timely place a deposit as required by this Contract, Seller may either (1)
242 terminate the Contract and seek the remedy outlined in this subparagraph or (2) proceed with the Contract without
243 waiving any remedy for Buyer's default.

244 **15. ATTORNEY'S FEES AND COSTS:** In any claim or controversy arising out of or relating to this Contract, the
245 prevailing party, which for purposes of this provision will include Buyer, Seller and Broker, will be awarded reasonable
246 attorneys' fees, costs, and expenses.
