PANAMA CITY BEACH – PIPE AND FITTINGS

SECTION 00030

BID PROPOSAL FORM

This proposal of Empire Pipe and Supply Co. Inc (hereinafter called "BIDDER"), organized and existing under the laws of the State of Florida, doing business as Empire Pipe and Supply Co. Inc (a corporation, a partnership or an individual), is hereby submitted to the CITY OF PANAMA CITY BEACH (hereinafter called "OWNER").

By submission of this BID, each BIDDER certifies, and in the case of a joint BID, each party thereto certifies as to its own organization, that this BID has been arrived at independently, without consultation, communication, or agreement as to any matter relating to this BID with any other BIDDER or with any competitor.

The Undersigned, as Bidder, hereby declares that they have examined the bid specifications and informed themselves fully in regard to all conditions pertaining to the equipment to be supplied.

The Bidder proposes and agrees, if this proposal is accepted, to contract with the City of Panama City Beach for the unit price listed, in full and complete accordance with the shown, noted, described and reasonably intended requirements of the Specifications and Drawings to the full and entire satisfaction of the City of Panama City Beach, Florida, with a definite understanding that no additional money will be allowed for extra work/materials. Payment of 100% of contract amount will be made to the supplier within 30 days of delivery and acceptance by the OWNER. The Bidder further proposes and agrees hereby to furnish any required shop drawings within two weeks of receipt of a signed purchase order and furnish and deliver to the point of delivery within four consecutive weeks (28 calendar days) from approval of shop drawings unless indicated otherwise on the Bid Form.

Purchase will be made under terms and conditions specified by City in its form of Purchase Order. If a deposit is required, it must be specified below. Final payment, in readily available funds, will be made upon acceptance by City of strictly conforming goods after delivery and acceptance by the City. Strict adherence to the

NOTE:

1. BIDS shall NOT include State of Florida and Bay County sales tax but shall include all other applicable taxes and fees.
2. BIDS shall be on the basis of a unit price and shall be the total compensation to be paid by OWNER for the complete materials and delivery.
3. The OWNER reserves the right to reject any and all bids received. The OWNER also reserves the right to purchase multiple combinations of pipe and fittings bid line items from separate bidders.
4. By submitting this BID, the BIDDER is deemed to have stipulated and agreed that any and all claims, demands, actions or suits whatsoever, arising under this Bid, shall be subjected to the sole and exclusive jurisdiction and venue of the Circuit Court of Bay County, Florida. The BIDDER does agree, by submittal of this BID, that the sole and exclusive jurisdiction and venue in said forum is proper and appropriate since performance of the underlying purchase order to be awarded is to be accomplished within Bay County, Florida.

PANAMA CITY BEACH – PIPE AND FITTINGS

SECTION 02620 – STAINLESS STEEL PIPE AND FITTINGS

PART 1 - GENERAL

1.1 SCOPE OF WORK

- A. The MANUFACTURER shall furnish all labor, materials, equipment, and incidentals required to fabricate and deliver to the jobsite all stainless steel pipe and fittings complete, tested, and ready for installation, as shown on the Drawings and/or as specified herein.
- B. Omission of a specific item or component obviously necessary for the proper function of the system shall not relieve the MANUFACTURER from the responsibility of supplying that specific item or component at no additional expense to the Owner.

1.2 SUBMITTALS

- A. The MANUFACTURER shall submit to the OWNER, within twenty (20) calendar days after receipt of Notice to Proceed, a list of materials to be furnished and the date of delivery of materials to the site.
- B. Submit shop drawings to the OWNER for review in accordance with Section 01300, including all fittings, adapters, valves, and specials along with the MANUFACTURER's drawings and specifications indicating complete details of all items. The MANUFACTURER shall provide details of fittings to be furnished. The above shall be submitted to the OWNER for approval before fabrication and shipment of these items.
- C. Furnish in duplicate to the OWNER, prior to each shipment of pipe, submit MANUFACTURER certifications and certified test reports that the pipe and fittings supplied for this contract were manufactured and tested in accordance with the ASTM and ASME Standards specified herein.

1.3 QUALIFICATIONS

- A. All stainless steel pipe and fittings shall be furnished by MANUFACTURER'S who are fully experienced, reputable, and qualified in the manufacturing of the material to be furnished. The pipe and fittings shall be designed, constructed, and installed in accordance with the best practices and methods and shall comply with these Specifications.

PANAMA CITY BEACH – PIPE AND FITTINGS

1.4 QUALITY ASSURANCE

- A. All stainless steel pipe and fittings shall be from a single MANUFACTURER.

PART 2 - PRODUCTS

2.1 MATERIALS

- A. Stainless steel pipe and fittings 2-inches through 48-inches shall meet the following requirements:
1. Stainless steel pipe shall be Schedule 40, 316L stainless steel conforming to ASTM A-312/ASME S-A312, and ASTM A-358/ASME SA-358.
 2. Stainless steel fittings shall be Schedule 40, 316L stainless steel conforming to ASTM A-403 and ANSI B16.9/MSS SP 43 requirements.
 3. All stainless steel sheet and plate shall be extra low carbon (0.03%) maximum and meet ASTM/ASME standards.
 4. All stainless steel pipe and fittings shall be No. 1 hot-rolled annealed and pickled for finish. After all shop operations have been completed, all stainless steel materials shall be pickled and passivated (completely immersed for a minimum of 15 minutes in 10% nitric acid and 3% hydrofluoric acid at 125 degrees F followed by a neutralizing rinse.
 5. Wall thickness tolerances shall be within the allowable ASTM/ASME limits.
 6. Wall welding shall be done using the GTAW, GMAW and plasma arc welding processes by ASME qualified welders and ASME procedures for full penetration welds. Interior surfaces shall be smooth and uniform.
 7. All pipe and fittings shall be marked in accordance with the requirements of the applicable ASTM/ASME standard.
 8. Pipe and fittings shall be furnished with 125-pound pattern, flat faced flanged ends except where noted for field welding of the flange for fit-up.

2.2 TAPPING SLEEVES

- A. Tapping sleeves shall be full circle, constructed of 316 stainless steel and in two halves. All tapping sleeves shall be Romac STS420, JCM 6452, Ford FTSAS series or preapproved equivalent. Bolts for the tapping sleeve shall be 316 stainless steel.

PANAMA CITY BEACH – PIPE AND FITTINGS

PART 3 - EXECUTION

3.1 SHIPPING AND DELIVERY

- A. All stainless steel pipe and fittings shall be packaged on dunnage and wrapped (if required) for shipping and storage for a period of a minimum of three months (August through October) in ambient conditions for Panama City Beach, Florida in accordance with the MANUFACTURER'S recommendations.

SECTION 00030

BID PROPOSAL FORM

This proposal of Pipe & Fittings / P.C.B. (hereinafter called "BIDDER"), organized and existing under the laws of the State of Florida, doing business as Lanier Municipal Supply, Inc. (a corporation, a partnership or an individual), is hereby submitted to the CITY OF PANAMA CITY BEACH (hereinafter called "OWNER").

By submission of this BID, each BIDDER certifies, and in the case of a joint BID, each party thereto certifies as to its own organization, that this BID has been arrived at independently, without consultation, communication, or agreement as to any matter relating to this BID with any other BIDDER or with any competitor.

The Undersigned, as Bidder, hereby declares that they have examined the bid specifications and informed themselves fully in regard to all conditions pertaining to the equipment to be supplied.

The Bidder proposes and agrees, if this proposal is accepted, to contract with the City of Panama City Beach for the unit price listed, in full and complete accordance with the shown, noted, described and reasonably intended requirements of the Specifications and Drawings to the full and entire satisfaction of the City of Panama City Beach, Florida, with a definite understanding that no additional money will be allowed for extra work/materials. Payment of 100% of contract amount will be made to the supplier within 30 days of delivery and acceptance by the OWNER. The Bidder further proposes and agrees hereby to furnish any required shop drawings within two weeks of receipt of a signed purchase order and furnish and deliver to the point of delivery within four consecutive weeks (28 calendar days) from approval of shop drawings unless indicated otherwise on the Bid Form.

Purchase will be made under terms and conditions specified by City in its form of Purchase Order. If a deposit is required, it must be specified below. Final payment, in readily available funds, will be made upon acceptance by City of strictly conforming goods after delivery and acceptance by the City. Strict adherence to the
