

PANAMA CITY BEACH NOISE VARIANCE

**AN ORDER AUTHORIZING A NOISE VARIANCE FOR CONSTRUCTION
ACTIVITIES AT 16006 FRONT BEACH ROAD.**

WHEREAS, Killian Construction Co. ("Applicant") has requested a noise variance to facilitate early morning construction activities associated with the construction of the Embassy Suites on Front Beach Road; and

WHEREAS, the variance would enable the pouring of cement (the "Nighttime Construction Activity") during early morning and off-peak hours for vehicular traffic, which activity takes approximately 12-15 hours to conduct, and is anticipated to occur every Monday, Wednesday, and Friday over an 8-week period; and

WHEREAS, section 16-90 of the City's Code of Ordinances authorizes the City Council to grant a Noise Variance for nighttime construction projects; and

WHEREAS, the Council finds that there are no single family properties in the area of the proposed construction; and

WHEREAS, the Council finds and determines that approving this variance to allow the Nighttime Construction Activity will lessen interference with and impacts to vehicular traffic on Front Beach Road that might occur if the Variance were not approved, particularly as the City enters its busy summer tourist season.

NOW THEREFORE IT IS HEREBY ORDERED that the Nighttime Construction Activity associated with the construction of the Embassy Suites may be conducted between the hours of 5:00 a.m. and 7:00 a.m., on Mondays, Wednesdays, and Fridays for the 8-week period beginning July 9, 2021.

The City Manager is authorized to revoke this Variance if there is a material change in any of the circumstances relied upon by the City in granting the variance.

THIS ORDER shall be effective immediately upon execution and shall terminate on September 3, 2021.

ORDERED this 8th day of July, 2021.

CITY OF PANAMA CITY BEACH
