ADDENDUM NO. 1

PCB22-06 ITB CITYWIDE FUEL SERVICES QUESTIONS

1. Is the intent of the RFP to garner 1 base price and 1 mark up (plus taxes) for both normal business as usual provision of gasoline and diesel fuel and emergency provision of gasoline and fuel?

A. YES. – Please see revised bid form page 2 of 2 attached.

2. Are you able to characterize the percentage (out of 100 percent) this RFP is seeking business as usual pricing for the provision of gasoline and fuel versus emergency provision of gasoline and fuel? Example: 60% business as usual and 40% emergency

A. Unfortunately, we cannot characterize an estimate of percentage as emergencies are unpredictable. The estimated normal use consumption is provided on Line 14, estimate consumption.
