IRONMAN Florida 2014 will take place on 1 November 2014. Everything so far is in order and we are finalizing the last details of the event. This year again we have partnered with United Healthcare. Together we are organizing an IRONKIDS fun run benefiting the Children's Tumor Foundation and other local charities. The race will take place on South Thomas Drive from the Boardwalk Beach Resort property to the intersection of South Thomas Drive and Thomas Drive. We are requesting a temporary road closure Friday October 31, 2014 from approximately 3pm until 5 pm for the fun run. During this time we will continue to allow local traffic to their properties with minor delays. Typically we have as many as 300 -500 children running in several waves. This year we hope to have maximum participation due to the run falling on Halloween.

We appreciate your consideration for this closure to allow this event to happen. If you have any questions or concerns, please don't hesitate to contact me directly.

Sincerely
