Director Leonard reported that this was a rezoning request, second reading, to go from R1C-Single Family Residential to CM-Commercial Medium Intensity. Director Leonard reported the original application was for CH-Commercial High Intensity, but the Applicant modified the application, at the Planning Board's request. Director Leonard added the Planning Board considered this request at its July 13, 2022 meeting and August 10, 2022 meeting and recommended approval of CM-Commercial Medium Intensity zoning by a (7-0) vote.

ITEM 2. ORDINANCE NO. 1597, PROHIBITING SMOKING ON THE SANDY GULF BEACH AND IN CITY PARKS, FIRST READING.

Mayor Sheldon introduced City Attorney Cole Davis. Mr. Davis recommended an amended version of the ordinance be considered. Mr. Davis read the amended title.

AN ORDINANCE OF THE CITY OF PANAMA CITY BEACH, FLORIDA, AMENDING THE CITY'S CODE OF ORDINANCES; PROVIDING FOR DEFINITIONS; PROHIBITING SMOKING AND VAPING IN CITY PARKS AND ON CITY BEACHES; PROVIDING FOR EXCEPTIONS; REPEALING ORDINANCES IN CONFLICT; PROVIDING FOR CODIFICATION AND PROVIDING AN IMMEDIATELY EFFECTIVE DATE.

Attorney Davis explained the only change made to this ordinance, compared to the version in the agenda packet, was that instead of the smoking ban taking effect on all of the sandy gulf beach within the City limits, it would take effect on the beach adjacent to the City Pier, 400 feet on either side, and the public beach access points.

Mayor Sheldon called for public comment on Item #2.

Frank Sewell – Mr. Sewell commented he was happy to hear what Attorney Davis just said. Mr. Sewell expressed concern with the no vaping part of the ordinance and that vaping would not be allowed in a car parked on city property. Mr. Sewell commented on cigars being legal. Mr. Sewell asked if marijuana could be added to the ordinance. Mr. Sewell recommended that fines be doubled to control the littering perhaps in place of this ordinance.

Rex Reid –Mr. Reid referred to Section M, paragraph 4, and commented that special events would be able to buy its way out of the law. Mr. Reid commented that he was against this, and the use of his tax dollars being used for this law and added that it was unfair. Mr. Reid stated this was unenforceable.

Burnie Thompson – Mr. Thompson echoed the last two speakers. Mr. Thompson stated he did not know the City had no control over cigars. Mr. Thompson inquired if Mr. Sewell's comment about vaping in a vehicle was correct. Mr. Thompson asked Council not to pass this.

Attorney Davis provided an example. Councilman Jarman inquired if the festival site was rented, would that become private property. Mr. Davis reported that depended upon the special event. Discussion regarding cigar smoking being an

exception passed by the State of Florida. Councilmember Coburn expressed her dissatisfaction with the members in Tallahassee and noted she felt the law infringed upon our personal freedoms. Discussion regarding the littering aspect of the law took place. Councilmember Coburn inquired about any associated costs and education. Manager Whitman reported the City would create the signage in house and there likely would be an increase in calls for service into the call center. Councilman Chester noted that was his concern, increased calls to the call center. Councilman Chester added that this likely would result in wasting our Officers' time. Councilman Chester added that the City cannot enforce this and the enforcement part of this bothers me. Mayor Sheldon noted there was a motion on the floor.

Councilman Jarman seconded the motion. Mayor Sheldon called for further discussion. Hearing and seeing none, Mayor Sheldon asked the Clerk to call the roll on the amended ordinance. **Amended Ordinance 1597 was approved by a (3-2) roll call vote.**
