2. ORDERS.

A. City Solicitation RFP No. 096-21-KM sought multiple vendors for Vehicles and Services. Although the City plans to order needed Vehicles and Services under this Agreement, the City makes no commitment to order any minimum or maximum quantities from any Vendor or to place orders at all. This Agreement is non-inclusive. The City reserves the right to order or purchase from other vendors, manufacturers, dealers, and other local, state, or national government agencies and/or associations when deemed in the best interest of the City. Orders under this Agreement will be initiated, at the sole discretion of the City, by submitting a request for quote and build sheet (if applicable) to the Vendor.

B. Upon receipt of the completed quote and build sheet, the City and the Vendor agree to discuss production schedules, product availability, and due dates prior to ordering Vehicles and Services through a City Purchase Order. The Vendor's quote **MUST** be dated and reference the Agreement Number.

C. Any future Vehicles or Services not currently available or offered can be added as they become available.

3. PURCHASES MADE BY OTHER PUBLIC AGENCIES.

B. This Agreement in no way restricts or interferes with the right of any local, state, or national government agency or political subdivision or other public entity to respond to any or all of these terms independently if required by law or to supplement the Agreement if a specific term is not addressed herein.

4. PRICES AND PAYMENT.

A. Prices. The City agrees to pay the Vendor for Vehicles and Services ordered under this Agreement as set forth in the Vendor's price lists submitted as part of its Solicitation Response. The Vendor's pricing shall be updated accordingly based on pricing for the current year. Any and all future pricing **MUST** be approved by the Fleet Management Director.

B. Payment. All fees are due and payable in U.S. dollars. Payment for orders for Vehicles and Services will be made in accordance with the Local Government Prompt Payment Act (Section 218.70, et. seq., Florida Statutes), unless the Parties make other arrangements as documented either by addendum to this Agreement or through a Purchase Order. Under the terms of the Prompt Payment Act, the payment due date for a local government entity for the purchase of goods or services is 45 days after the date on which a proper invoice is received by the City or, if no proper invoice is received, the due date is calculated based on other trigger dates identified in Section 218.73, Florida Statutes. No C.O.D shipments will be accepted. If the City fails to make payment within the statutory time frame, the unpaid

amount shall bear interest from thirty (30) days after the due date at the rate of 1% per month on the unpaid balance.

(1) Disputes. In the event a dispute occurs between the Vendor and the City, the Parties shall attempt to settle the dispute informally and in good faith prior to instituting formal legal action. If the dispute is resolved in favor of the Vendor, interest shall begin to accrue as of the original date the payment became due.

The Vendor understands that the City is entitled to an exemption from any applicable taxes and shall provide the Vendor with a valid exemption certificate upon request.

5. DELIVERY, INSPECTION, AND ACCEPTANCE.

A. Delivery does not constitute acceptance for the purpose of payment or warranty start time. The City agrees to notify the Vendor within three (3) days of delivery or completion of Services if the Vehicles or Services do not meet all specifications and requirements for acceptance.

7. TERM.

A. Initial Term. The initial term of this Agreement shall commence on the Effective Date and shall continue for a period of three (3) years (the "Initial Term").

B. Extension Term. Upon written, mutual agreement by the Vendor and the City, this Agreement may be extended at the conclusion of the Initial Term for an additional two (2) years (the "Extension"). The Vendor and the City must agree to extend the Agreement no later than thirty (30) days prior to the expiration of the Initial Term of the Agreement.

8. TERMINATION.

A. Termination for Cause. If the Vendor fails to fulfill any of its obligations under this Agreement and does not cure such default within thirty (30) days after receipt of written notice from the City, such failure shall be considered a default and shall entitle, but not obligate, the City to suspend performance under this Agreement or to terminate this Agreement, in whole or in part, wholly at the City's discretion.

B. Termination for Convenience. Additionally, the City shall have the right to terminate this Agreement for convenience, in whole or in part, upon 90-day notice, without the Vendor being in default thereunder. In the event of termination for convenience, the City shall pay the Vendor (i) the full amount due for services satisfactorily rendered, (ii) approved costs and expenses incurred which remain unpaid at the time of such termination, and (iii) such other costs of termination, if any, as may be mutually agreed by the parties.

C. Termination Process. Termination shall be effected by (i) delivery of written notice to the Vendor from the City specifying whether termination is for default or convenience, (ii) providing detail as to the extent to which services under this Agreement are to be terminated, and (iii) specifying the date

upon which such termination becomes effective. After receipt of the written termination notice, and except as otherwise directed in writing by the City, the Vendor shall promptly stop work under this Agreement on the date and to the extent specified in the termination notice, terminate all subcontracts that relate to the performance of the services terminated by the termination notice, and complete performance of any services which have not been terminated. In the event the Agreement is canceled for default under the Agreement, the City may withhold funds owed to the Vendor in an amount sufficient to compensate for actual damages suffered from the default resulting in termination of the Agreement.

9. FINANCIAL CONSEQUENCES OF NON-PERFORMANCE.

A. The City may apply financial consequences if the Vendor fails to perform in accordance with the terms of the Agreement. If the Vendor fails to remedy performance deficiencies within thirty (30) days of being provided notice of such deficiency by the City, the Vendor may be assessed a non-performance retainage equivalent to 10% or \$1,000.00, whichever is less, of the total invoice amount for the task or project. The retainage will be applied to the invoice for the then-current billing period. The retainage will be withheld until the Vendor resolves the deficiency. If the deficiency is subsequently resolved, the Vendor may invoice the City for the retained amount during the next billing period. If the Vendor is unable to resolve the deficiency, the retained funds will be forfeited.

B. The Vendor shall not be charged retained funds when the non-performance is a result of delay in delivery or performance arising out causes beyond the control and without fault or negligence of the Vendor due to manufacturer delays. To substantiate a delay in manufacturer product delivery, the Vendor is required to submit written proof of delay to the City in the form of a letter or email sent from the manufacturer to the Vendor. The City agrees that no retained funds will be withheld from the Vendor after written proof of the manufacturer's product delivery delay is provided to the City and, if necessary, regularly updated if the delay continues past any date which may be included in the written communication from the manufacturer.

10. LIQUIDATED DAMAGES.

A. If the Vendor fails to provide the Vehicles or Services within the time specified in this Agreement, any applicable Purchase Order, or any negotiated extension, the Vendor shall pay the minimum sum of \$100.00 for each calendar day of delay, not to exceed \$1,500.00 per month, to the City

as fixed and liquidated damages. In the event the City is penalized monetarily by federal, state, or local entities as a result of the Vendor delay, error, and/or poor performance issues, the Vendor may be required to reimburse the City the full amount of the assessed penalty.

B. Alternatively, if delivery or performance is delayed, the City may terminate this Agreement in whole or in part, under the Termination provision in this Agreement. In the event of termination for delivery or performance delay, the Vendor may be liable for (i) reimbursement to the City for costs spent to procure the Vehicles or Services from another vendor or (ii) for payment of liquidated damages as provided in above until such time as the City may reasonably obtain delivery or performance of similar Vehicles or Services.

C. The Vendor shall not be charged with liquidated damages, including if the City is penalized by federal, state or local entities, when the delay in delivery or performance arises out of causes beyond the control and without the fault or negligence of the Vendor caused by delay in manufacturer product delivery.

11. INDEMNIFICATION. The Vendor shall hold harmless and indemnify the City and its officials, officers, and employees from all claims, damages, losses, expenses, suits or actions against all third-party claims, losses, expenses, suits, or actions against the City, including, without limitation, costs of defending the action and attorney's fees, to the extent the claims arise out of or result from the performance and furnishing of the work, services, materials, goods, or equipment under the Agreement (including, but not limited to, claims regarding defects in materials, goods, equipment, and patent infringement) and such claim is caused in whole, or in part, by any breach of contract, act, or omission of the Vendor, its subcontractors, anyone directly or indirectly employed by any of them, or anyone whose acts any of them may be liable. In any and all claims against the City, or any of its agents or employees by any employee of the Vendor, its subcontractors, anyone directly or indirectly employed by any of them of anyone for whose acts any of them may be liable, the indemnification obligation under this clause shall not be limited in any way by limitation on the amount or type of damages, compensation or benefits payable by or for the Vendor or its subcontractors under any Workers' Compensation Act, Disability Act, or other Employee Benefit Act.

12. AVAILABILITY OF FUNDS. City funds may not be available for performance under this Agreement beyond September 30 of each year of this Agreement. The City's obligation for performance of this Agreement beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the City for any payment may arise for performance under this Agreement beyond the referenced date until funds are made available.

13. NOTIFICATION OF INSOLVENCY. In the event the Vendor enters into a proceeding relating to bankruptcy or an assignment for the benefit of creditors, whether voluntary or involuntary, the Vendor agrees to furnish, by certified mail or other method authorized by the Agreement, written notification of the proceeding to the City. This notification shall be furnished within five (5) days of the initiation of the proceedings relating to bankruptcy filing or transfer of legal and equitable title of assets to a third party under an assignment for the benefit of creditors. This notification shall include the date on which the bankruptcy petition was filed or the transfer consummated, the identity of the court in which the bankruptcy petition was filed or the name of the entity holding Vendor's assets, and a listing of City contract or purchase order numbers for all City contracts against which final payment has not been made. This obligation remains in effect until final payment of net receipts under this Agreement has been made to the Vendor.

14. CHOICE OF LAW AND VENUE. All questions concerning the construction, validity, and interpretation of this Agreement shall be governed by the law of the State of Florida. Any dispute arising out of, concerning, or relating to this Agreement between the Parties shall be resolved exclusively in a federal or state court of competent jurisdiction located in Tallahassee, Leon County, Florida. To the extent necessary, the Parties hereby submit to, and agree not to contest, the jurisdiction of such courts. The Parties also agree to waive any right to trial by jury in any dispute or litigation arising from, concerning, or relating to this Agreement.

15. REMEDIES. No remedy herein conferred upon any Party is intended to be exclusive of any other remedy. Each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or at equity by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further

exercise thereof.

16. NO WAIVER; SEVERABILITY; SECTION HEADINGS. No failure of either Party to exercise or enforce any of its rights under this Agreement shall act as a waiver of such rights. If any provision of this Agreement is determined in any proceeding binding upon the Parties to be invalid or unenforceable, that provision will be deemed severed from the remainder of the Agreement and the remaining provisions shall continue in full force and effect; provided however, that if a court by limiting such provision determines that the provision would become valid and enforceable, then such provision will be deemed to be written, construed, and enforced as so limited so long as the result is consistent with the Parties' expressed intentions herein. The section headings in this Agreement are solely for the convenience of the Parties and have no legal or contractual effect. This Agreement is entered into by sophisticated entities with access to counsel and shall not be construed against either Party as the "drafting" party.

17. RELATIONSHIP BETWEEN THE PARTIES. The Vendor and the City acknowledge and agree that this Agreement is not and shall not be construed as an agreement of joint venture, partnership, agency, franchise, or employment between the Parties or their respective employees. For all purposes under this Agreement, each Party shall be and act as an independent contractor to the other and shall not be authorized to, and shall not, bind or attempt to bind the other to any contract or agreement.

18. NOTICES. All notices required to be given under this Agreement shall be given in writing and sent to the following:

Such notices shall be deemed given on the date of receipt of delivery of (or refusal to accept) said notice. Notwithstanding the foregoing, any day-to-day operational correspondence may be made by phone, email, or other mutually agreeable mechanism.

19. ASSIGNMENT. Neither Party may sell, assign, or transfer this Agreement without the prior written consent of the other Party; provided, however, that either Party may (with notice but without the prior consent of the other Party) assign this Agreement by operation of law, pursuant to a merger or acquisition of all or substantially all of its stock or assets, or to its affiliate. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. The Vendor shall notify the City, in writing, thirty (30) calendar days prior to any assignment or transfer as allowed by this paragraph.

20. PUBLIC RECORDS. The Parties acknowledge that the City is a governmental entity and is subject to Florida's Public Records Law, Chapter 119, Florida Statutes. The Parties further acknowledge that some, or all, of the information, materials, documents provided to the City by the Vendor may be public records and, as such, may be subject to disclosure to, and copying by, the public unless otherwise exempted by statute. This provision shall constitute the City's sole obligation relating to maintaining confidentiality of any information or proprietary material of any kind submitted by the Vendor.

The Vendor also recognizes that by doing business with the City, its records relating to the Agreement may also be subject to the Public Records Act. **If the Vendor has questions regarding the application of Chapter 119, Florida Statutes, to the Vendor's duty to provide public records relating to this Agreement, the Vendor may contact the City's Custodian of Public Records at:**

21. SUBCONTRACTORS. Subcontractors are not allowed under this Agreement.

22. FORCE MAJEURE. Neither Party shall be liable for non-performance or delay, other than the payment of fees due hereunder, due in whole or in part to any Force Majeure Event. Force Majeure Event shall be defined as occurrence of an event which is outside the reasonable control of a party and

which prevents that party from performing its obligations under a contract. In the event a Party is hindered or prevented from performing hereunder due to a Force Majeure Event, such Party shall notify the other Party of the Force Majeure Event and the extent of its suspension as soon as reasonably practicable. Failure to give notice as timely as practicable under the circumstances shall result in the forfeiture of a Party's right to suspend its obligations hereunder. If a Force Majeure Event prevents, hinders, or delays performance of a Party's obligations hereunder for more than thirty (30) days, the Party not prevented from performing may, at its sole option, terminate this Agreement upon notice to the other Party.

23. INSURANCE COVERAGE. Prior to commencing work, the Vendor shall procure and maintain, at the Vendor's own cost and expense, throughout the Term of the Agreement, the following types and limits of insurance coverage in relation to the performance of work or provision of services hereunder by the Vendor, its agents, representatives, employees or subcontractors.

A. Commercial General/Umbrella Liability Insurance. \$1,000,000 limit per occurrence for property damage and bodily injury. The Vendor should indicate whether the coverage is provided on a claims-made or, preferably, on an occurrence basis. The insurance shall include coverage for the following:

The coverage shall not contain special limitations on the scope of protection afforded the City Insureds.
- * The Vendor's insurance coverage shall be primary insurance for the City Insureds. Any other insurance or self-insurance maintained by or on behalf of the City Insureds shall be excess of the Vendor's insurance and shall not contribute to it.

- * Alternatively, the City may purchase such required insurance coverage (but has no special obligation to do so) and, without further notice to the Vendor, the City may deduct any premium costs advanced by the City for such insurance from sums due to the Vendor.

I. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the option of the City, the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City Insureds; or the Vendor shall procure a bond guaranteeing payment of losses, related investigation, claim administration, and defense expenses.

J. Acceptability of Insurers. Insurance is to be placed with Florida insurers rated B+X or better by A.M. Best's rating service.

K. Verification of Coverage. The Vendor shall furnish the City with certificates of insurance and with original endorsements providing evidence of required coverage. The certificates and endorsements for each policy must be signed by a person authorized by that insurer to bind coverage on the Vendor's behalf. The certificates and endorsements must be received and approved by the City before work commences. Certificates of Insurance must be annotated with the applicable contract number.

The Contractor is required to maintain a copy of such affidavit throughout the term of this contract.

No supplement, modification, addendum, or amendment of this Agreement shall be binding unless executed in writing by both Parties. In the event of any conflict between any terms of this Agreement and any terms of any attachment, the terms of this Agreement shall supersede, govern, and control to the extent of the inconsistency.
