

## CITY OF PANAMA CITY BEACH

July 26, 2024

### ADDENDUM NO. 1

## PCB24-35 RFP DE-ESCALATION TRAINING SIMULATOR

#### Questions:

1. Do you require an actual VR (virtual reality) or projection based system? Both of those terms are listed in the scope of work, so I just wanted to be sure what you need, as we offer both options. VR can be configured to different room designs, but multi-screen systems cannot, which is also listed in the scope of services. Please clarify.

**A.** The City is accepting any/all options for the training simulator that meet the minimum requirements. The City is seeking the most realistic training experience available for our officers.

2. How many of each weapon platform do you need with this system and what make/model are they?

**A.** See below

- Glock 45 - two
- AR-15 - one
- TASER - two
- Pepper Spray - two
- Flashlight - two
