6. BACKGROUND: (WHY IS THE ACTION NECESSARY, WHAT GOAL WILL BE ACHIEVED)

Every year the Public Works Department is tasked with resurfacing roadways within City limits that are in need of repair or showing deterioration from normal traffic wear. This following roads were selected for repair this FY 2017:

- Eagle Drive (From Fairway Blvd. to Eagle Drive Intersection)
- Fairway Boulevard (From Fairway Circle to Back Beach Road)
- Fairway Circle (Entire Road)
- Birdie Lane (Entire Road)
- Oleander Drive (Entire Road)
- Lyndell Lane (From Back Beach Road to South Senior Center Driveway)
- Seaclusion Circle (From Back Beach Road to Seaclusion Drive)

A solicitation for construction bids was publicly advertised and six bidders responded. Staff has reviewed the bids, and the low bidder was GAC Contracting for \$603,536.20 plus \$20,922.00 for additive alternative #9 for speed humps for a total contract amount of \$624,458.20. The street resurfacing budget for FY 2017 is \$603,705.00. Therefore it is necessary to prepare a budget amendment in order to let the entire contract.

Funds are available in reserves to increase the budget to \$678,705.00. This provides a contingency of \$54,246.80 for any unforeseen circumstances that come up during construction. If this occurs this would require City staff approval for changes due to areas in which the roadway base material condition is unknown. Attached is a copy of the bid tabulation, a portion of the bid proposal form, and a draft agreement.
